Dear Nikki and Jason,

It's hard to believe that almost a year has passed since we completed your project. I'd like to take this opportunity to thank you again for choosing Vujovich. Our goal is to exceed your utmost expectations on every project we do, so we sincerely hope that we accomplished this in your home.

I would also like to remind you that the one-year warranty discussed in your contract is about to expire. If there are any items requiring attention, please send a brief description of your needs to my attention. You have my word that any requests will be handled quickly and efficiently.

On behalf of everyone at Vujovich, it has been a pleasure working with you. I encourage you to share our name with any friends, family members or colleagues who may be in need of our services. We have built our business on referrals from satisfied customers and hope that we are a company that you would recommend.

If you have any questions, please do not hesitate to contact me.

Very best regards,

Tom Zerull
